Empowering youth to shape the  
ethical standards of tomorrow.

## 2024 TKETHICS

### FALL TKETHICS GLOBAL OLYMPIAD

Eligibility: Open to all teams worldwide, from grades 6-12  
Location: Virtual (Online)

# NOV 30

6:00 PM - 11:59 PM EST

Partner with:

The Ethics Olympiad is a speech and debate competition in which teams present ethical stances on case studies at the intersection of ethics, technology, and culture. Teams are rewarded for providing strong reasoning, depth of thought, and engaging in productive, respectful dialogue. In each round, teams are expected to consider and engage with the case from different perspectives, balancing the competing ethical values at play.
